If your child has an allergy or special dietary requirements, please inform your school and our catering team, so we can discuss their needs.

! We have highlighted the 14 allergens on our menu to help you make informed decisions. Some of our recipes include many variations, but this is not included on our menu. This information is however available on our daily allergen matrix. Please contact your school cook for further information.

V = Vegetarian

Our menus are not only tasty, but comply with the Government School Food Standards, ensuring they are good for your children too. They will, very occasionally, need to change due to circumstances beyond our control, so please check with your catering team if your child has any dietary requirements.
